### **WILLIAM SHEWMAKE, GREEN RIDGE RECYCLING FACILITY UPDATE**

Green Ridge Attorney, William Shewmake, presented the Directors with an update on the status of the Green Ridge Facility Project. He stated that the DEQ has determined their application complete so they are now going through a series of technical reviews. He explained the future steps in the process of getting the rest of the applications approved. He stated that he anticipates, if things go well, we could expect our permits in the next twelve months. Mr. Shewmake gave the Directors an update on the numerous opportunities Green Ridge has presented the county so far and expressed their continuance to support the county in economic growth in the future. Mr. Shewmake also expressed the positive impact the facility will have statewide in the future.

Director Ennis asked when did he expect the facility to open. Mr. Shewmake answered that he estimates eighteen months if everything goes or up to four years if they do not.

Director Seal asked how the one to three million figure was determined. Mr. Shewmake responded it depended on the amount of waste expected to be taken a day.

Chairman Lawhorne expressed his understanding of the need to dispose waste and his support for the project.

Director Mistichelli asked how many people does the facility plan to employ and if there was a clause stating that it had to be a certain percentage of Cumberland residents. Mr. Shewmake stated that he will need to verify the statistics and explained that there is a clause to give preference to residents of the county.
